Meg is an inspiring, fun instructor in both the technical and fiber arts worlds. She designs and sells wearable art, combining knitting, crocheting, off-loom weaving, beading, embroidery, quilting & the fine sewing skills her grandmothers taught her. Learn more here: www.boendierdesigns.com

The Dream Bag is woven on the outside of a small box, in the round, on the No-Sew Lining ©. It's the perfect size for a cell phone, iPod, car keys and driver's license...the perfect little bag. And you'll have learned a new way to use your leftover yarns, trims and fabric while having a fun time in class! Finished size is 4" high X 4" wide X 1" deep. The finished bag is fully lined with a bead closure and a twisted cord strap.

Cost includes the Dream Bag kit. Please bring your lunch. Drinks will be provided.
