

Cascade Cardi LiveStream Workshop from Pamela's Patterns *Pamela Leggett, Instructor*

The Cascade Cardi is the ideal topper for style and comfort. Add it as a layer to amp up the wow factor for a dress, skirt, or pant outfit. Make it from a cozy fabric to wear as athleisure.

Subtle shaping and a unique neckline pleat add to the refined silhouette. Image consultant Nancy Nix /Rice says it is a “must have” for your core wardrobe!

Class #1: We will start with a discussion and demo on fabrics, fitting, pattern and fabric prep. At the end of the discussion/demo, I’ll meet with you individually to assess your measuring, sizing, pattern adjustments, and fabric.

Class #2: Sewing and Serging machine set-ups, stitches, stabilizing, construction.

Class #3: Cardi finishing and Cascade Blazer demo.

The Cascade Blazer is ultra-feminine and will polish up any outfit from business casual to jeans. It is unlined but features soft tailoring techniques that give you the look, feel, and fit of fully tailored.

Cascade Cardi ~and~ Blazer Workshop – Supply List

Suggested Fabric: Good quality knit fabric including polyester, nylon, rayon, cotton, wool blends.

Cardi – 2 yds of 60" wide fabric. Mid weight ponte, double knit, sweater knit, french terry, sweatshirt fleece, novelties. The single layer front" cascades " to show the wrong side of the fabric.

SMART TIPS:

- To avoid pilling, choose a ponte knit with nylon/rayon/lycra as well as ponte with wool blends or poly/spandex
- Stretch the fabric to make sure it snaps back to the original length. If it doesn't, don't use it! Check out Pamela's Stretch Ruler.
- Knit fabrics, especially ponte or double knit can shrink several inches per yard. Be sure to pre-wash/dry the fabric.

Notions:

- [#121 Cascade Cardi or Blazer pattern from Pamela's Patterns](#); **10% discount on Pattern for our members. Enter ASG in the discount code box.**
- Good quality polyester thread to match fabrics

-

****pattern, stay tapes, interfacing and shoulder pads are available at Pamela's Patterns. Use the discount code ASG at checkout for 10% off your order. Be sure to order your supplies 2 weeks in advance, and add a note to your order to let us know it is for the Atlanta ASG LiveStream Workshop – you may find a little extra something included!***

Sewing Machines:

- Sewing Machine (both garments can be made entirely on a sewing machine. However....
- A serger is not mandatory, but certainly will make a difference in the finish quality of your garments. You will still need a sewing machine as well. Have the serger threaded for a 4-thread serge with thread that matches/blends with the fabric you choose for the Cascade Cardi.
