

**ASG Atlanta Sit 'n' Sew  
Saturday, January 29 2022  
10 a.m. - 3 p.m.  
SEFAA Center**

**Join us for this great cause as we sew cat crate pads for the DeKalb Animal Shelter! Bring your sewing machine, notions, fleece, flannel, hi-loft batting as well as snacks and drinks to share with the group**

**Can't join us in person but want to participate? You can make cat crate pads at your home (25.5" x 18.5") or you can donate materials (fleece, flannel, high loft batting). Call Susan at 404-483-0007 for more information or to coordinate drop-off or pick-up near you.**

**More about DeKalb Animal Shelter: ASG member Liz Bier has been creating cat crate pads for the 62 double sided and 15 single sided kennels at the shelter and the cats LOVE them! Director Annie told me they would love to have more pads so each cat can have one.**
