

In-the-Hoop Embroidery Machine Tool Bag by Cookie Gaynor.

Where : Southeast Fiber Arts Alliance 3420 W. Hospital Ave suite 103 Chamblee Ga

When : Saturday, June 17th, 2023 from 10 am – 3:30 pm, machine setup 9 am – 10 am

Cost: for ASG members \$40, for non-members \$55 (Kit is included)

Limited to 15 students

A fun In-the-Hoop machine embroidery class focuses on trendy embellishments and special techniques. Easy, fun, and quick to make once you know how!

The event includes tips for selecting stabilizers and specialty products for your bag projects.

Cookie Gaynor will show you how easy it is to create a unique bag to hold your embroidery tools featuring:

- Mylar
- Dimensional Puff Foam
- Zipper Insertion
- Quilting

SVG Optional Files – includes a lesson on how to use them. You do not need a digital cutter to enjoy the files. And they *will add a surprise element to the back of your bag.*

You must be familiar with your machine before the class and know how to:

- Load an embroidery design
- How to embroider a simple design.

The kits for the event are pre-cut, and the stabilizers are fused ahead for you. This kit includes everything you need except a short student supply list of essential items you should own.

There will be cutting mats, a heat gun, and rulers for use at the event, along with pressing stations.
