My name is Cristina Murray-Ortiz and I am the creative mastermind and owner of Stina Elizabeth LLC. I am also a Martha Pullen Licensed Teacher. I have experience in garment, heirloom, home decor and accessories sewing. I love lace making work like princess lace and bobbin lace.

Built on a foundation of more than a decade of sewing expertise and innovative concepts, Stina Elizabeth LLC creates designs that clients admire for their beauty and functionality. We translate this experience into every beautiful, well-made item we produce. Our commitment to quality is matched by our dedication to sustainability: we work diligently to reduce production waste by utilizing all of our materials. Sew Many Memories
10325 Freehome Highway, Canton, GA 30115
I have been sewing for 60 years. I grew up with many of my family working in various sewing plants around. My grandfather opened a fabric store and I learned from all my family. I have continued my sewing education through sewing expo, Martha Pullen education classes and with our sewing guild. I teach to all ages, young and older male or female. I also have taught special needs students, young people just have to watch and understand how they learn to bring them joy in learning. I also do alterations and create special garments. I have done home decor but slowly leaving that area.
